## ALBUMS

All albums are custom designed and handmade in the U.S.A. Photographs are printed on gorgeous Fuji archival paper with lay-flat spreads. Several beautiful color options are available for the cover; Sarah can provide swatches.

Leather albums are bound in full-grain leather covers and are weighty and resistant to damage.

Thin pages are glued back-to-back (without any material between them), while thick pages have a hard substrate between pages.

Prices based on a 20-sided album (10 two-page spreads), up to 50 images.

Price per each additional two-page spread in parentheses.
